LYRICS

I AM CHOSEN FOR THIS PART

Verse 1

You called me out before my first breath
Marked my life with purpose
Through every season, through every storm
Your hand has never left me

Verse 2

When I was weak, You made me strong
When I was lost, You led me on
Now I can see what You designed
You were preparing me this whole time

Pre-Chorus

I will trust Your voice
I will walk by faith

Chorus

I am chosen for this part
You have written it on my heart
Through the fire, through the dark
I am chosen for this part

I will go where You lead me
I will stand where You call
Every step belongs to You
I am chosen for this part

Bridge

Here I am
Send me now
Here I am
I am Yours

Bridge 2

Every nation
Every soul
Let Your glory be made known
